Proper drill movements shall be combined with a professional demeanour throughout this lesson.

This lesson is broken down into movements. Explain, demonstrate and allow time for the cadets to practice, in a variety of positions.

Capitalization indicates the words of command for each movement.

Cadence is to be maintained when completing movements.

The term squad is a generic name for a group of cadets, used to teach drill movements. This term can be interchanged with platoon, flight, division or any other applicable elemental or regimental term.

Assistant instructors may be required for this lesson.
